NOTES FROM DIRECTORS

A Note from Mrs. Brady:

Welcome to the Jaguar Players Spring Musical! We are so proud to be the first Kyrene middle school to produce *Mean Girls Jr.* to end our season!

Without a doubt, *Mean Girls* is a cultural phenomenon. "One Wednesday we wear pink," "That's so fetch!" and "You go, Glenn Coco" are lines we all repeat to this day. What started as a book, *Queen Bees and Wannabes*, then adapted by Tina Fey into the 2004 hit movie, *Mean Girls the Musical* opened at the August Wilson Theatre April 8, 2018. Amid the theatre shutdown due to the COVID-19 pandemic, the musical announced it would not return, making its final performance March 11, 2020. The popularity of the musical led to a musical movie adaptation release earlier this year.

When we announced we would be putting on *Mean Girls*, there was so much excitement that we decided that we should add an additional performance so that everyone could have the chance to see it. Included in our run is our understudy performance and our sensory-friendly performance. The Jaguar Players are committed to making Theatre accessible so that all members of the community can experience live Theatre. Theatre truly is for everyone!

I know that the Jaguar Players could not be where we are, putting on a production this scale, without the help, support, and enthusiasm from the amazing team I am honored to work with. I first have to thank my partner-in-crime, my extremely dedicated and talented Technical Director, Sharon Smith. Without her, we would have no sets, no costumes, no lights, no sound...no show! A huge thank you to my creative team Laura Christian and (newbie) Logan Bridge, for being amazing collaborators and helping me bring out the best in our cast.

I also have to thank our wonderful Jaguar Players Booster Club for supporting us on this journey. Our Board and Members-at-Large have truly devoted their time and energy into making the Jaguar Players a remarkable program that continues to develop and grow. (Spots are available on next year's Board!!)

Also, I would like to thank my family for their love and support. A special thank you to my wonderful husband, Ryan, and beautiful daughters, Charlotte (7) and Willow (5), for being patient and understanding during my long work days and tech week schedule.

Last, but not least, I want to thank you for coming to see our show. We can't perform without an audience so thank you for being here and supporting Arts Education. And if you want to support the Arts even more, please buy refreshments, souvenirs, or make a direct donation at the box office.

Enjoy the show and we hope to see you back for our 2024-2025 season!

NOTES FROM DIRECTORS

Thank you all for coming out to our show!

I am honored to have been here from the start 11 years ago to watch how Marisa Brady's idea for after school program has grown from a no-budget, who can we cold-call to beg, borrow, or steal from to put on our little productions of Nothing but the Truth, & Cinderella, to what it is today.

These days, we have a great network of connections not only to our local high school, Corona del Sol, but with several other middle & high schools across the East Valley who we can beg, borrow, and steal from. =)

In addition, we have several families who have donated both time and materials to these productions over the years who have brought their expertise whether as accountants, builders, organizers, lawyers, photographers, etc., especially all the members of our Booster Club's Executive Council past & present.

A shout-out Brandon Hawley who has worked closely with our Sound crew this year to utilize our new sound system to its potential. Both our Lights and Sound departments not only switch from cue to cue, but they also design those cues themselves!

Finally, huge thanks my co-conspirator, Marisa Brady. I appreciate how our opposing strengths mix to create this amazingly safe environment for our students to blossom into leaders. I am thrilled that you love what you do. I love that I don't ever have to try to do it too!

As a side note, I'd like to recognize the work of our amazing kids! We have crafters who build the sets, costumes, & props you see on stage. Our Crews often brainstorm original ways to add to the set. In addition, some of our cast & crew members often create original pieces that are offered in our raffle prizes. If you would like to support the continuation of Fiber Arts at Aprende, please buy raffle tickets, donate to the Jaguar Players, and/or give a tax credit donation to the Textile Arts and Theatre departments at Aprende.

Thanks again for coming tonight to our show. It's gonna be so FETCH!
